

My Visit to Mussorie

In this year's autumn break, I with my friends of school went to Mussorie. I had to wake up at 3:50am on Oct 13, 2007 in the morning to reach Sector-17 M.V.N School. We reached the New Delhi railway station by bus from M.V.N. school. Then we all board the train which was at 730 AM to start. We reached Mussoorie at 430pm and had our lunch. In our Hotel room, there were six children staying together. After lunch we went to Mall Road for shopping. After returning from Mall Road we took our dinner. We slept at 12:00 midnight. On Oct 14, 2007, it was my friend's birthday. We celebrated his birthday by eating a cake. After breakfast we went to Gun Hill by ropeway. We did shopping there too. And, then in the afternoon we went to Kempty Falls and we did boating. While in Kempty Falls my two friends were misplaced. And we got worried about them. Later on they were found inside the bus sitting. We returned hotel in the evening. At night, we had Bon-Fire. But I was not there in the Bon-fire. I was watching James Bond movie in the TV. On Oct 15, 2007, we left early in the morning for home. On the way, we went to visit "Shivling" and "Sai Temple". Our train was at 530 in the evening and reached sector 17 130 after midnight. It was a very good journey and I look for another journey like this with my friends.
