

My Favourite Things

Raindrops on roses
and whiskers on Kittens
White copper kettles
and warm wollen mittens
brown paper packages
tied up with string,
These are a few of my favourite things.

Cream coloured ponies
and crisp apple strudles,
draw bells and slay bells
and snipchels with noodles.
Wild geese that fly
with a moon on their wings,
These are few of my favourite things.

Girts in white ribbons
with blue satin saches
snowflakes that stay on
my nose and eyelashes,
silver white winters that
melt into spring,
These are a few of my favourite things.
When the dog bites,
when the bee stings,
when I am feeling sad
I just remember my favourite things
and then I don't feel so bad !
